## 2017-2018

Emerson High School, 10903 NE 53rd St., Kirkland, WA 98033  
Phone 425-936-2300 | Fax 425-576-0567 | [www.lwsd.org/emhs](http://www.lwsd.org/emhs)

Emerson High School uses a standard-based system for students to earn credit. Each session, students are provided the learning target to be assessed. Students who demonstrate proficiency on the assessment at the end of each session receive credit. Students must pass the session in order to earn a .125 credit in any given course. Typically a student could earn up to one credit per class in a year. No credit under .125 will be given.

We dedicate ourselves to the following guiding principles:

- We will provide a challenging and engaging curriculum.
- We will provide a safe, healthy, orderly, and trusting climate which supports strong relationships between adults and students.
- We will engage our community as partners in learning.
- We will provide the foundation and learning necessary for students to access post-secondary education.

Students who are not making adequate progress may be withdrawn if interventions are not successful. At Emerson, this means that students who don't attend classes and meetings with advisors, don't pass classes and don't participate in intervention/support programs to meet standards on summative assessments, will be withdrawn from the school.

The Lake Washington School District does not discriminate on the basis of race, color, national origin, sex, disability, age, gender, marital status, creed, religion, honorably discharged veteran, military status, sexual orientation, gender expression, gender identity, the presence of any sensory, mental or physical disability, or the use of a trained guide dog or service animal by a person with a disability, in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following employees have been designated to handle questions and complaints of alleged discrimination:

# Advisory/Core

All students at Emerson High School have a required advisory time third period on Monday, Tuesday, Thursday, and Friday. For 9th and 10th graders, this happens in the Foundations courses. For 11th graders, this is part of their third period English 11 class, and for seniors this takes place during Career Prep. Generally, a student's third period teacher is also their advisor. For a description of the content of those courses, please see their listings on page 13 of the 2017-18 EMHS course catalog on the EMHS website.

# Attendance

## Responsibility for Attendance

Students and parents are responsible for school attendance. Within 48 hours of the absence, the parent or legal guardian of any student who is absent from school is required to:

- 1) Leave a phone message on the EMHS **Attendance Line at 425-936-2306**;
- 2) Send an email to the Office Manager at [mosness@lwsd.org](mailto:mosness@lwsd.org); or
- 3) Supply a parent or physician note.

The parent must report the absence for all students living at home – no exception for students over age 18 unless they are not living at home. Using the chart below and professional judgment, the school will determine whether an absence is excused or unexcused. The parent is responsible for explaining the circumstances for the absence, NOT for determining whether the absence is excused or unexcused.

## Definition of Absence Chart

EXAMPLES OF EXCUSED ABSENCES	EXAMPLES OF UNEXCUSED ABSENCES
<ul style="list-style-type: none"><li>• Illness or medical emergency (in certain instances, a doctor's note may be required to verify the absence)</li><li>• Religious observance</li><li>• Family emergencies</li><li>• Pre-arranged medical and dental appointments</li><li>• Counseling appointments</li><li>• School-related field trips (special school programs, pre-arranged community service activities or school activities)</li><li>• College visits</li><li>• Required court proceedings (court document required)</li><li>• Family vacations (only if vacation policy is followed, which includes filling out a pre-arranged absence form)</li></ul>	<ul style="list-style-type: none"><li>• Oversleeping, alarm clock not working</li><li>• Traffic problems</li><li>• Missing the bus</li><li>• Staying home to do homework</li><li>• Job training or work-related absences</li><li>• Student providing childcare for younger siblings</li><li>• Taking driver's test</li><li>• Shopping for prom dress</li><li>• Taking pet to veterinarian</li></ul>

## Late Arrivals/Tardies/Leaving Campus

Students arriving up to 10 minutes late will be marked tardy by the teacher. Students arriving after 10 minutes late will be marked absent (even though they will be in class). Students leaving campus during the day for appointments or illness need to sign out through the main office and a parent or guardian needs to call the attendance line within 24 hours with the reason for the absence.

## Tardy/Absent Policy

- When arriving late, go directly to class.
- Enter the classroom quietly, take your seat, and do not interrupt..
- If you're more than 10 minutes late, you will be marked absent and an automated phone call will made home.
- Students with excessive tardies will be placed on an attendance contract which may result in disciplinary consequences & probation.

There are other cold items available such as cereal, breakfast bars, and bagels and cream cheese. Breakfast is available daily between 7:30-7:50 a.m. and between classes up until fourth period. District breakfasts cost \$1.75 (may be subject to change) if not on the Free & Reduced Meal Program and are free if on reduced status.

The district Nutrition Services lunch program is available at Emerson and lunches are offered during the specified lunch period only. Offerings include a variety of daily selections, i.e., deli line for made to order sandwiches, a daily special main entrée and a daily selection of fresh and canned fruit and vegetables, pizza, etc. Milk and a variety of juice selections will also be offered. Nutrition Services will post menus monthly. District lunches cost

Emerson participates in the free and reduced lunch program; obtain forms from the registration packet and/or the main office. ONE application covers the whole family; turn in application at youngest child's school.

## **Learning Center**

Learning Center is an independent learning program for students. Students in the Learning Center can complete all necessary courses for high school graduation. Learning Center students attend class 7.5-10.5 hours per week and must complete at least 14.5-17.5 hours of homework per week. The bulk of the course work is independent with contact time with instructors. Computer-based instruction and project-based instruction are the primary modes for instruction.

### **Day Learning Center Schedule**

Monday through Friday: Periods 1 and/or 2 (8:00 – 9:55 a.m.)

### **Evening Learning Center Schedule**

Tuesday & Thursday: 5:00 - 8:00 p.m.

## **Newsletter**

A newsletter containing information/events will be emailed to all families periodically throughout the school year. Please be sure the office has a current email(s) so the newsletter can be sent home. The newsletters are also posted on the Emerson website, [www.lwsd.org/emhs](http://www.lwsd.org/emhs). Anyone who would like to put a pertinent article in the newsletter should submit it to the school office manager.

## **Official Transcript Requests**

It is the student's responsibility to request an official transcript from any and all institutions attended when completing the college application process.

## **Open Campus**

Emerson is an open campus for our own students. This means students may enter and leave campus during the day subject to their own class schedules. This policy requires that students be highly responsible in managing their time so they are not tardy or absent from classes and that they do not violate our Good Neighbor Policy. For those who wish to remain on campus, there are places to study, and school lunch service is available.

## **Running Start**

Running Start is a state-funded program made available in Washington state public schools. This program is in partnership with community colleges and is available to high school students at the junior and senior level. It allows qualified students to take college courses whereby they may apply the credits toward high school graduation, and also toward college degrees. Students are encouraged to contact the counselor if they are interested in this program.

## **Telephone Messages**

Messages received for students will be delivered to the student only in emergency situations. All other messages will be emailed to the teacher during the school day.

## **Transportation**

Students who live in the Lake Washington School District (LWSD) and outside the one-mile radius from Emerson are eligible for a free Metro Bus/Orca pass. Passes will be distributed to qualifying students when they start at Emerson, after turning in a completed registration packet to the office. Passes will be active for use on METRO and Sound Transit from September 1 thru June 30 of each year. New cards will be issued each year. Students will be charged a replacement fee from the LWSD Transportation Department if they lose their bus pass. Students residing outside the boundaries of the LWSD are responsible for their own transportation to and from school.

## **Vacation Policy**

We recognize there are many reasons why a family may choose to take their student out of school on a vacation; however, students cannot maximize their educational experience when they are absent. A significant amount of teaching and learning takes place during class time and cannot be duplicated at home. Family vacations must be prearranged in order to be considered excused. The Prearranged/Arranged Absence form must be completed and turned in 5 (five) school days prior to the absence. Failure to follow the procedure will result in the absence being reported as unexcused.

## Introduction

### Purpose

The Lake Washington School District's mission is that each student will graduate prepared to lead a rewarding, responsible life as a contributing member of our community and greater society. Furthermore, it is part of the mission of the District to provide a positive, harmonious environment in which diversity is respected and encouraged.

This student handbook is intended to provide all students, teachers, administrators, and parents with access to and an understanding of District expectations. These expectations help to reinforce the District's mission and the core values of a democratic society. They express the value of mutual human respect for each person that we expect to be manifested in the daily behaviors of students, staff, and volunteers

This handbook provides a summary of some of the laws, regulations and District policies that govern student rights, responsibilities, student discipline and due process. Specific policies are referenced by the policy letters (i.e., JF). The complete policies are available on the district website: [www.lwsd.org](http://www.lwsd.org).

### Student Rights and Responsibilities (JF)

We believe that for every right there is a responsibility. This responsibility includes the freedom to exercise individual rights in a manner that is not offensive or harmful to others. We trust that students will respectfully accept and adhere to the following:

Rights	Responsibilities
<ul style="list-style-type: none"><li>• Students have the right to a safe environment free from intimidation, sexual harassment and assault.</li><li>• Students have the right to a productive learning environment.</li><li>• Students have the right to clean and safe classrooms, hallways, restrooms and lunchrooms.</li><li>• Students have the right to safe passage to and from school, and while on campus.</li><li>• Students have the right to expect staff to help them solve their problems.</li><li>• Students have the right to engage in the grievance process.</li><li>• Students have the right to remain anonymous when reporting a violation of school rules.</li><li>• Students have the right to engage in respectful speech that expresses their thoughts and opinions as long as it is not disruptive to the educational environment.</li><li>• Students have the right to actively participate in a problem-solving process in order to facilitate successful closure.</li><li>• Students have the right to exercise freedom of expression as part of the instructional process. However, this right is subject to reasonable limits and may not be used to disrupt the educational environment or interfere with the rights of others.</li></ul>	<ul style="list-style-type: none"><li>• Students are responsible for their own behavior.</li><li>• Students are responsible for respecting the property of other people and school property.</li><li>• Students are responsible for attending school and all classes daily and on time.</li><li>• Students are expected to exhibit conduct that is courteous, cooperative, and responsible, and that displays regard for the safety and welfare of others, including students, staff, and substitutes at school and at all school-related activities.</li><li>• Students are responsible for being prepared for class (i.e. bringing appropriate and necessary materials and books to class on a daily basis).</li><li>• Students are responsible for informing staff of behavior that may be harmful to an individual or themselves.</li><li>• Students are expected to make a determined effort to learn.</li><li>• Students are expected to follow the instructions of teachers and other school staff.</li><li>• Students are expected to dress appropriately for school in ways that will not disrupt the learning environment or cause safety or health problems.</li></ul>

## Attendance

### Absences & Excuses (JED, JED-R)

Regular school attendance is important for all students. Chronic or excessive absenteeism, whether excused or unexcused, has been correlated with lower assessment scores and lower graduation rates.

Students may be excused from school, with the consent of their parents/guardians, for medical and dental appointments and to accompany their parents/guardians on out-of-town trips. Additional absences consistent with WAC 392-400-325 will also be considered excused.

Parents or guardians should notify the school in person, by phone, or in writing/email within 48 hours of an absence if they wish to have the principal consider it as an excused absence.

Students who demonstrate chronic absenteeism or tardiness may be required to meet with school staff or the building principal to develop a plan to support the student's educational progress.

All students are expected to remain on campus for the entire school day. There are exceptions for high school students whose parents request that they be excused during lunch and students whose parents request attendance at another school or school-related activity during the school day.

### Truancy (JEDA)

Under Washington state's truancy law RCW 28A.225.030, the school/district are required to take specific actions when students are truant.

- Parents will be notified in writing or by phone after **one unexcused** absence in a month.
- A parent conference will be initiated after **three unexcused** absences in a month in order to improve the student's attendance.
- The parent and school must enter into a contract to improve the student's attendance after **five unexcused** absences in a month, or the case may be referred to a Community Truancy Board,
- The school district may file truancy petitions with the juvenile court after **seven unexcused absences** in a month, or **ten unexcused absences** in an academic year.

## Discipline Process

### Corrective Action/Discipline (JG)

To support safe, nurturing and productive learning environments, Lake Washington School District encourages schools to take an instructive, restorative and corrective approach in regards to student behavior. The goals of these approaches are to:

- correct inappropriate or unacceptable behavior;
- assist students in developing empathy for others;
- accept responsibility for their actions;
- develop the capacity to improve their behavior; and
- repair the harm caused as a result of their behavior.

Schools are encouraged to establish clear expectations for student behavior and methods for supporting students' ability to meet these expectations. When appropriate, schools may identify additional learning opportunities, which may support students' ability to meet expectations through a multi-tiered system of support.

When appropriate, schools are encouraged to support students in understanding harm that has been caused through a student's action, whether intentional or unintentional, and identifying the needs of the students involved. Efforts will be taken to both encourage accountability and responsibility by the author of those actions as well as to reintegrate all students into the school or classroom community. This approach may be supported by the use of restorative contracts, impromptu conferences, restorative circles, or formal conferences.

In those instances when corrective action is needed, schools may consider both the severity and frequency of the behavior when determining which corrective action is most appropriate.

In the Exceptional Misconduct and Other Misconduct Codes, consequences are divided into three categories:

- **Minor/Initial** – The impact of the student's behavior is limited or minimal and/or this is the first such instance of this behavior by the student.
- **Moderate/Repeated** – The impact of the student's behavior has a broader or more disruptive impact and/or this is behavior that has previously been addressed with the student.
- **Severe/Persistent** – The impact of the student's behavior has a widespread or more significant disruptive impact and/or this is behavior that has not changed after multiple times of addressing it with the student.

While administrators normally apply the concept of progressive discipline in working with students to bring about changes in behavior, there may be situations where progressive discipline is not appropriate or prudent. In such cases, Lake Washington School District reserves the right to immediately suspend or expel a student where exceptional misconduct is involved (i.e.,

conduct that is so frequent or serious in nature, in terms of the disruptive effect on the operation of the school, as to warrant an immediate suspension or expulsion). This may also apply to students who have committed serious violations or acts in the community and may pose a continuing threat of substantial disruption to other students at school.

The school's jurisdiction and authority include student conduct to and from school, at school, at bus stops, on busses, and at any school-sponsored activity. Also included in the school's jurisdiction is any off-campus student speech or activity that school authorities have reason to believe will have a disruptive effect upon the operation or the learning environment of the school or impinge on the rights of other students or staff at school.

## Due Process

Students who are subject to discipline/corrective action will be afforded the right to due process.

Discipline will not adversely affect specific academic grade, subject, or graduation requirements, so long as all required work is performed. Any student subject to a short-term suspension will be provided the opportunity to make up assignments and tests missed by reason of the short-term suspension if such assignments or tests have a substantial effect on the student's semester or trimester grade; or failure to complete such assignment or tests would preclude the student from receiving credit for the course or courses.

Prior to a short-term suspension of any student, a conference will be conducted with the student that provides:

1. Notice of the alleged misconduct and violation(s) of school district rules;
2. An explanation of the evidence in support of the allegation(s);
3. An explanation of the corrective action that may be imposed; and,
4. The student will be provided the opportunity to present his/her explanation.

Prior to a long-term suspension, written notice of an opportunity for a hearing will be delivered in person or by certified mail to the student and parent or guardian of the alleged misconduct and violation(s) of school district rule(s) and an explanation of the corrective action proposed.

A grievance may be filed with the building principal for discipline or short-term suspension. An appeal may be filed with the district for long-term suspensions or expulsions. The student will be informed of the grievance/appeal process at the time a suspension occurs. Parents will be notified of a long-term suspension by certified mail.

## Definitions

**Discipline:** Any form of corrective action taken other than suspension and expulsion. This may include community service (CS), exclusion from class during the school day, in-school or after school detention, restitution, and assessment/counseling as appropriate.

**Suspension:** Denial of right of attendance for a specific amount of time. Short-term suspensions (STS) are for no more than ten consecutive school days. Long-term suspensions (LTS) exceed ten consecutive school days.

**Expulsion:** Denial of right of attendance for an indefinite amount of time. This action will be used only when the nature and circumstance reasonably warrant the harshness of expulsion (E).

**Emergency Expulsion:** When the student's presence imposes an immediate and continuing danger to the student, other students or school personnel, or an immediate and continuing threat of substantial disruption to the educational process. An emergency expulsion (EE) may be imposed to allow administrators to fully investigate the situation and impose any appropriate disciplinary or corrective action.

**School Business Day:** Any calendar day, exclusive of Saturdays, Sundays, and federal and school holidays, on which the Office of the Superintendent is open to the public for the conduct of business.

## Student Searches (UFG, JFGA)

Administrators may make general searches of all student desks or storage areas without prior notice to students. An individual student, his/her property (including cell phones), locker, and vehicle parked on campus may be searched by school district employees if there is a reasonable, individualized suspicion the search is related to the discovery of contraband or other evidence of a student's violation of law or school conduct rules. Illegal items or other possessions reasonably determined to be a threat to the safety or security of others shall be seized by school authorities. Items that are used to disrupt or interfere with the educational process may be temporarily removed from a student's possession.

## Drug Scenting Dogs

The purpose behind inspections by dogs is to discourage students from bringing, keeping, and/or using illegal drugs or weapons of any kind on school grounds. RCW 28A.600.210 authorizes administration to invite drug-scenting dogs to conduct suspicionless searches of school-issued lockers and the contents of those lockers on school property in order to protect students from exposure to illegal drugs, weapons and contraband.

## Codes of Conduct

### Exceptional Misconduct (JFC-R)

Any conduct that materially and substantially interferes with the educational process is prohibited. However, the following infractions have been judged so serious in nature and/or so serious in terms of disruptive effect upon the operation of the school(s) that students may be subject to an emergency expulsion and/or suspension (short-term or long-term) for a first time offense. Because each situation is handled individually, administrators have the discretion to use other alternative forms of discipline if they so decide. This may include restitution for property damage or loss, and/or restitution to victims if appropriate. All of the following acts listed below in the summary chart are specifically prohibited on school grounds, on school-sponsored transportation (including authorized school bus stops), at school events off school grounds, or off-campus if such conduct causes disruption at school. Law enforcement may be informed.

## Athletic/Activities Code of Conduct

As members of a school team or WIAA sponsored activity that represents Lake Washington School District, students are expected to make a strong personal commitment to rules of training and conduct in order to maintain a strong, healthy body and represent their school in an exemplary fashion. To that end, the following rules apply to all students participating in interscholastic athletics/activities or attending a team-related activity such as out-of-season camps or tournaments. These rules will apply at all times throughout the school year, which is defined as beginning with fall tryouts to the last day of school, and includes any summer team-related activities. They will remain in effect for one calendar year from date of signature.

### Illegal Controlled Substances, Alcohol, Legend drugs and Controlled Substances

Penalties for the possession, use or sale of legend drugs (drugs obtained through prescription, RCW 69.41.020-050) and controlled substances (RCW 69.50) shall be as follows:

**1st Violation:** A participant in possession and/or use of a controlled substance, and/or "legend drugs" including anabolic steroids, or alcoholic beverages shall be immediately ineligible for interscholastic competition in the current interscholastic sports program for the remainder of the season. This also includes attending and/or remaining at an event where it is reasonably known by those present that consumption any of the above mentioned substances by a minor(s) occurs. In this situation it is the responsibility of the student-athlete or student involved in the activities noted above to remove him/herself beyond all reasonable doubt and proximity from the situation. Ineligibility for possession or use shall continue into the next sports season in which the participant wishes to participate. In order to be eligible to participate in the next interscholastic sports season, the student athlete will meet with the school authorities. The school principal shall have the final authority as to the student athlete's participation in the interscholastic sports program. A participant who seeks and/or receives help for a problem with use of legend drugs (RCW 69.41.010 identified substances) or controlled substances and controlled substance analogs (RCW 69.50.101 identified substances) will be given the opportunity for assistance through the school and/or community agencies. In no instance shall participation in a school and/or community approved assistance program excuse a student athlete from subsequent compliance with this regulation. However, successful use of such an opportunity or compliance with athletic code by the student athlete may allow him/her to have eligibility re-instated in the athletic program, after a minimum two-week suspension from competition and pending a recommendation by the school eligibility authority. Athletes may attend practices with Principal/Athletic Director approval but may not attend contests during the suspension period.

**2nd Violation:** A participant who again violates any provision of RCW 69.41.020 through 69.41.050 or of RCW 69.50 will be ineligible for interscholastic competition for a period of one (1) calendar year from the date of the second violation.

**3rd Violation:** A participant who violates for a third time RCW 69.41.0202 - 69.41.050 or of RCW 69.50 will be permanently ineligible for interscholastic competition.

Sale and/or distribution - per Lake Washington School District Policy, the sale and/or distribution of alcohol, or prescription or non-prescription drugs will result in the student automatically being placed on Step #2 of the Athletic/Activity Code.

### Tobacco Products, Chemicals or Devices (e-cigarettes, vaporizers, cigarettes, chew, etc.)

**1st Violation:** The possession and/or use of tobacco products or chemicals, devices (e.g., e-cigarettes, electronic hookahs, vaporizers, etc.), or any other product that has a similar flavor or physical effect of nicotine substances will result in: 1. The student will be suspended for a minimum of one week of competition. 2. The attendance of a cessation class will be mandatory.

**2nd Violation:** 1. The student will be suspended for 10 weeks of competition. If there is not 10 weeks left in the current season the suspension will carry over to the next competitive season in which they are a returning athlete. 2. Before an athlete can again represent Lake Washington School District in athletics they must provide evidence of successfully completing a nicotine treatment program and proof that they have discontinued the use of tobacco products.

**3rd Violation:** A student athlete who violates for a third time will be permanently prohibited from participating in any WIAA member school athletic program or activity.

### Conduct Rules

Students who commit unlawful acts or engage in delinquent behavior may be subject to disciplinary action up to and including suspension from the team. All Lake Washington School District athletes are expected to adhere to all Lake Washington School District policies as explained in each school's Student/Parent Handbook. In addition to these general rules, coaches may establish other team expectations specific to their program.

### Hazing Rituals

Hazing will not be tolerated in any form and is never to be part of our program. Acts of hazing can escalate to the point that the students participating are at risk. It is also quite possible that many acts of hazing will result in legal action being taken against the coach, advisor, student group leader, administration or the school district.

Any student who participates willingly in a hazing ritual is subject to disciplinary action, including suspension from school or the team or both, and possible legal action dependent on the severity of the incident.

Any student-athlete who observes and does not attempt to stop or report such a violation can also be subject to disciplinary action by the school. Repeated acts of hazing can result in further school action and permanent suspension from athletics.

Initiation ceremonies and rituals are different from hazing rituals as they are positive, open, and public events. Initiation ceremonies welcome new members to a team or group, promote bonding and orientation to the purpose, culture, and expectations of the team or group. The coach, advisor and parents are informed of the ceremony and invited to participate.

Parents/guardians who wish to contest discipline may submit a grievance to the school principal for an informal conference.

**Technology Code of Conduct (IIAB-R)**

Lake Washington School District provides a wide range of technology resources to its students and staff for the purpose of advancing the educational mission of the District. As users of District computers, students are expected to review and understand Appropriate Use Procedures (AUP).

1. Exercise good judgment and respect District property by demonstrating responsible use of technology.	2. Be a good digital citizen.

## Bus Conduct (JFCC)

Lake Washington School District's school bus conduct policy and rules are in accordance with Washington State WAC's and RCW's, all of which will be enforced whether or not they are included in the following regulations. These regulations are designed to assure every student safe transportation to and from school and school-sponsored activities. Violation of these rules may be sufficient reason to discontinue bus-riding privileges for the student involved, and in certain cases could cause suspension from school.

Rules for passengers' conduct on school buses will be made available to each student at the beginning of each school year. These rules will also be posted in each bus. These rules and procedures also apply to students who ride charter buses or other contracted transportation provided by the school district. Safety may be compromised if the driver becomes distracted by students who violate the rules.

The bus driver has authority and responsibility for the behavior of passengers using school district transportation. Teachers, coaches, other certified staff members, or chaperones assigned to accompany students on buses have primary responsibility for the behavior of students in charge. However the bus driver shall have final authority and responsibility.

### Corrective Action for Infractions of Established Bus Rules

Student misconduct on the bus or at the bus stop is sufficient reason to discontinue bus transportation privileges to those students involved. Infractions accumulate for the duration of the school year and range from warnings, detentions, and parent/guardian conferences to short-term suspensions or long-term suspensions from riding the bus. Serious infractions may result in immediate suspension of bus-riding privileges for the balance of the school year.

Suspensions will begin at the beginning of the next school day after the misconduct occurred. In other words, the student transported to school may be returned to his regular stop. Students may resume their bus riding privileges as soon as all disciplinary obligations have been met.

### Grievance

Parents/guardians who wish to contest a suspension may submit a grievance to the school principal for an informal conference.

#### Safety expectations at the bus stop

- Arrive at the bus stop five minutes before the scheduled bus time.
- Do not stand or play on the roadway while waiting for the bus.
- Wait to board the bus in an orderly manner.
- Respect private property while waiting for the bus.

#### Safety expectations while riding the bus

- Cooperate with and obey the driver at all times.
- Be courteous, use no profane language—spoken, written, or gestured.
- Elementary and middle school students need to ride their assigned bus and get off at their assigned stop, unless they have a bus pass signed by the school (certain routes may not allow bus passes based on available seating).
- Keep their head, hands, feet, and belongings inside the bus at all times.
- Only consume food or beverage if the driver has given permission to do so.
- Windows may be opened six inches; however, close the windows if the driver asks that windows remain closed.
- Do not bring animals onto the bus (service-animals excepted).
- Keep belongings (backpacks) out of the aisle.
- Remain seated while the bus is starting, stopping, or otherwise in motion.
- If assigned a specific seat by the driver, sit in that seat at all times.
- Enter and exit the bus safely, crossing only in front of the bus and only with the consent of the driver.

Note: Exceptional Misconduct and Other Forms of Misconduct as identified early in this handbook apply to conduct on buses and at bus stops.

## Corrective Action for Students Enrolled in Special Education

Discipline for students enrolled in special education will be consistent with the Individuals with Disabilities Act (IDEA). Students with disabilities can be disciplined for misconduct while being transported. A disabled student can be suspended for up to 10 cumulative days a year without a change in placement. The district is required to provide some form of transportation unless the student is a danger to himself or others.

A meeting may be called with the principal and parents/guardians to discuss the incident and determine corrective measures. If the incident presented an immediate danger to the student or others, alternative transportation and/or suspension may be possible. If the behavior continues, additional meetings may be held with the principal, special education services and parents/guardians. The IEP may be reviewed and updated. Suspension (up to 5 days) of transportation services, change of bus route, and assignment of a monitor, alternative transportation, and counseling may be considered as action required.

In the event of multiple infractions, a meeting will be held by the principal with the transportation department representatives, special education services, and the parents/guardians. If the student has been suspended a total of 10 days from regular transportation services, alternative transportation services should be reviewed. If there is a change in placement, the student is allowed another 10 days cumulative suspension from transportation services.

## Special Education and Preschool Drop-Off Procedure

A parent or guardian must be present when special education and preschool students are dropped off. Parents are to provide the driver with a list of adults approved to receive their student. Exception: with written approval by the parent and school, a special education student may be dropped off without an adult present.

## Securing of Special Education and Preschool Students

If a student is required to be secured in the bus, it is the parents/guardians responsibility to load and secure their student going to school and to unsecure and unload their student when arriving at home.

## Emergency Evacuations

Every child who rides a school bus should know what to do should it ever become necessary to evacuate the bus quickly and safely. Usually, students remain on the bus during an emergency; however, the bus will be evacuated in the event of fire/danger of fire or in the event the bus is stopped in an unsafe position, such as on or adjacent to railroad tracks. Students will participate in emergency evacuation drills within the first six weeks of each semester with a verbal review by the driver between drills. Students who are unable to participate in the emergency exit drill will receive oral instructions on how to exit.

Visit the district's [School & Bus Finder](#) web page for more transportation information.

## Prohibition of Discrimination and Harassment

### Human Dignity (ACA)

Recognizing and valuing that we are a diverse community, part of our mission is to provide a positive, harmonious environment where diversity is respected and encouraged. A major aim of education in Lake Washington School District is the development of a commitment to the core values of a democratic society. In accordance with that aim, the district strongly emphasizes a core value of mutual human respect for each person regardless of individual differences and/or characteristics. We expect this value to be manifested+ in the daily behaviors of students, staff, and volunteers.

### Nondiscrimination (AC)

The Lake Washington School District does not discriminate on the basis of race, color, national origin, sex, disability, age, gender, marital status, creed, religion, honorably discharged veteran, military status, sexual orientation, including gender expression or gender identity, the presence of any sensory, mental or physical disability, or the use of a trained guide dog or service animal by a person with a disability, in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following employees have been designated to handle questions and complaints of alleged discrimination:

## Sexual Harassment (JFDA)

Students and staff are protected against sexual harassment by anyone in any school program or activity, including on the school campus, on the school bus, or off-campus during a school-sponsored activity.

**Sexual harassment is unwelcome behavior or communication that is sexual in nature when:**

- A student or employee is led to believe that he or she must submit to unwelcome sexual conduct or communications in order to gain something in return, such as a grade, a promotion, a place on a sports team, or any educational or employment decision, or
- The conduct substantially interferes with a student's educational performance, or creates an intimidating or hostile educational or employment environment.

### Examples of Sexual Harassment:

- Pressuring a person for sexual favors
- Unwelcome touching of a sexual nature
- Writing graffiti of a sexual nature
- Distributing sexually explicit texts, emails, or pictures
- Making sexual jokes, rumors, or suggestive remarks
- Physical violence, including rape and sexual assault

**You can report sexual harassment** to any school staff member, the school principal, or to the district's Title IX Officer, who is listed on page 12. You also have the right to file a complaint. For a copy of the district's sexual harassment policy and procedure, contact the school or the district office, or view it online here: <http://www.lwsd.org/About/Policies-Regulations/Admin-Policies/Students/Pages/Sexual-Harassment.aspx>

## Harassment, Intimidation and Bullying (JFD, JFD-R)

All students have the right to learn in an environment that is free from harassment, intimidation, or bullying. Harassment, intimidation, or bullying means any intentionally written message or image (including those that are electronically transmitted) or verbal or physical act, including but not limited to one shown to be motivated by race, color, religion, creed, ancestry, national origin, sex, gender, sexual orientation, including gender expression or identity, marital status, age, mental or physical disability or other distinguishing characteristics, honorably discharged veteran or military status, or the use of a trained guide dog or service animal by a person with a disability, when an act:

- Physically harms a student or damages the student's property.
- Has the effect of substantially interfering with a student's education.
- Is so severe, persistent or pervasive that it creates an intimidating or threatening educational environment.
- Has the effect of substantially disrupting the orderly operation of the school.

Harassment, intimidation, or bullying can take many forms including, but not limited to, slurs, rumors, "put-downs," jokes, innuendoes, demeaning comments, drawings, cartoons, pranks, gestures, physical attacks, threats, or other written, oral, physical, or electronically transmitted messages or images.

**You can report harassment, intimidation or bullying** to any school staff member, the school principal, or to the district's Compliance Officer (Director of Student Services, 425-936-1289, [StopBullying@lwsd.org](mailto:StopBullying@lwsd.org)). You also have the right to file a complaint. For a copy of the district's harassment, intimidation or bullying policy and procedure, contact the school or the district office, or view it online here: <http://www.lwsd.org/About/Policies-Regulations/Admin-Policies/Students/Pages/Harassment-Intimidation-Bullying.aspx>

## Prohibited Items

### Alcohol, Drug and Tobacco (IGAG, JFCJ)

According to the Drug-Free Schools and Communities Act, schools must be totally free of unlawful drugs or alcohol. No one is allowed to possess, transfer, sell, use, solicit, or distribute tobacco, drugs, or alcohol while at school or while taking part in any school sponsored events or activity. Drugs include inhalants, prescription drugs beyond a daily dose, over the counter drugs in quantities or mixtures that are suspect and capable of causing serious harm, or any illegal or other substance representative as such.

### Dangerous Weapons (JFCJ)

The safety of students and staff in our schools is paramount. As such, it is a violation of district policy and state law for any person to carry a firearm or dangerous weapon on school district premises, school-provided transportation or areas of other facilities being used exclusively for school activities.

Weapons prohibited by this policy include firearms, as defined under federal and state law, explosives, items capable of causing bodily harm, and objects, including toy weapons or look-alikes, that appear to be weapons or that can be used to cause bodily harm, regardless of size. Dangerous weapons are defined by state law as firearms, sling shots, sand clubs, stun guns, metal knuckles, certain knives, "nun-chu-ka" sticks, "throwing stars," and air guns, including BB guns and paintball guns. Weapons apparently capable of producing bodily harm are also prohibited as defined in RCW 9A.12.020 as now or hereafter amended. Laser pointing/projecting devices are also prohibited for student use or possession.

Fake weapons or props for District-approved activities such as school plays or assemblies, approved presentations or military displays, and starter pistols used for sports activities, are permitted with prior approval of the building principal. The fake weapons or props may not be capable of firing any projectiles, must be under the control or supervision of the adult activity sponsor, and must be locked up when not in use for the activity.

Under RCW 9A.12.020, it is unlawful and a violation of this policy for a person under eighteen years of age, unless the person is at least fourteen years old and has with written parental or

# Lake Washington School District

guardian permission, to possess personal protection spray devices on school district property. Providing or transferring a personal protection spray device to someone who is prohibited from possessing such a device is also a violation of this policy. Any use of a personal protection spray device must be consistent with RCW 9A.16.020.

Any student found to have in his or her possession, or in his or her desk or locker, or on school district premises, any dangerous weapon or replica of a dangerous weapon defined in RCW 9A.41.270 may be subject to parent notification, police contact, suspension, emergency expulsion or expulsion. In instances involving a firearm, students will be subject to a one-year expulsion.

## Other Policies

### Health Room/Medication (**JHCD, JHCD-R**)

District nurses are assigned to multiple schools and are not assigned to a specific campus. If a student feels ill during the school day, the teacher may give permission for the student to go to the office. The secretary or trained volunteer will take the student's temperature. If the student's temperature is 100 degrees or higher, the parent will be called to arrange transportation home. If a student does not have a temperature but feels seriously ill, the parent will also be called to arrange transportation home.

Parents should inform the school on the Nurse Alert form if their child has a serious/life threatening health condition. Some examples of life threatening health conditions are diabetes, seizures, severe allergies, asthma and/or a cardiac condition. This list is not all inclusive.

The Lake Washington School District's medication policy states that medication will be administered between 11:00 a.m. and 1:00 p.m. daily. Exceptions require nursing approval. Medications that are given three times a day (antibiotics) should be given at home in the morning, afternoon, and evening. Students may not medicate themselves unless the health care provider indicates that they may do so. This must be documented on the student's medication order. Should medication need to be administered at school, parents must have their child's health care provider sign the Lake Washington School District medication form (#4023), provide a separate prescription pharmacy bottle labeled by the pharmacist (handwritten labels will not be accepted); and bring the pharmacy bottle with the exact amount of medication needed for the designated time period (no more than one month at a time) to school. The parent must pick up any unused medication by the last day of school.

### Child Find (**IGB-R**)

Child Find is a federal requirement for the purpose of locating, evaluating, and identifying students age birth to 21 years with a suspected disability who reside within the boundaries of Lake Washington School District and are currently not receiving special education services. Child Find services are conducted throughout the year in Lake Washington School District

through the guidance team process. If you or your parents have concerns about your language/communication skills, motor skills, intellectual, social, emotional, and/or physical skills, please contact the school and ask for the special education teacher, school psychologist, or other guidance team member. You may also call the Special Services main office at (425) 936-1201 or the District Child Find office at (425) 936-2760 to request Child Find information.

### Enrollment/Inter-District Transfer Agreements and In-District Variances (**JC, JC-R, JECB, JECBC**)

Students in Washington state may apply for an Inter-District Transfer Agreement to attend a school in a different school district or may apply for an In-District Variance for attendance in another, non-resident school within the Lake Washington School District. Both Inter-District Transfer Agreements and In-District Variances are determined on a space-available basis. Refer to our school district website for timelines and processes.

### Student Records/Family Educational Rights and Privacy Act (**JO**)

The Lake Washington School District is required to protect families from unauthorized release of certain information about its students. However, directory information may be released without permission of parents unless parents register their objection prior to September 15 of each school year.

Directory information is routinely used by the District in news releases, school event programs, and student directories. Such information is also released for the purposes of providing educational, scholarship, vocational/occupational, and/or military information (or to the news media or law enforcement). This information will not be released for commercial purposes. For more information, consult the Parent Information Booklet distributed at the beginning of the school year.

### Our District's Tip Reporting Service

Safety is one of our district's top priorities, that's why we're now using SafeSchools Alert, a tip reporting system that allows students, staff, and parents to submit safety concerns to our administration four different ways:

1. Phone: 425-529-5763
2. Text: Text your tip to 425-529-5763
3. Email: [1342@alert1.us](mailto:1342@alert1.us)
4. Web: <http://1342.alert1.us>

Easily report tips on bullying, harassment, drugs, vandalism or any safety issue you're concerned about. You can submit a tip anonymously online or by telephone. More information, including the SafeSchools Alert Terms of Use and Privacy Policy, is available online at <http://1342.alert1.us>. Thanks in advance for helping to make our school community a safer place to work and learn! We appreciate your support.
