

World Language Competency Credit Opportunity

What: World Language Competency Test

Test Date: December 12, 2018

Registration Deadline: December 2nd at 11:59pm. Register on the [website](#).

When: 1:30pm

Where: Redmond High School

Who: Students who already have proficiency in a world language and are not already earning credit for that language through a class

Background: Students may develop world language skills in many ways. They may use another language at home, attend language programs in the community, learn language skills online or spend time living abroad. Students who have achieved some proficiency in a world language may seek to earn credit by taking an assessment that measures their proficiency.

Students who wish to pursue this option must sign up to take the World Language Competency Test. Through this program, students complete an assessment. If they demonstrate at least a Novice Mid proficiency level, they receive a letter indicating proficiency levels and number of high school credits earned.

The Lake Washington School District will offer four testing opportunities for 9th-12th grade students in 2018-19. The cost of a first attempt during a student's high school career is free.

For more information and to sign up by December 2: [LWSD World Language Credit Option](#). Please note that priority will be given to 11th and 12th graders if space becomes limited.
